

Simple, Transparent Pricing

Choose the plan that fits where your business is today — and grows with you tomorrow.

Social Media & Content Packages

You focus on running your business. We handle the content, strategy, and results.

Essentials — ₱25,000/month

For businesses getting started online

You're building your presence and need consistent, quality content without the overhead of a full in-house team.

What's included:

- 12 social media posts per month
 - 4 short-form videos
 - Content marketing copy
 - Monthly performance report
 - Email & chat support
-

Growth — ₱37,000/month ★ Most Popular

For brands scaling their presence

You've got traction and need more volume, smarter data, and campaigns that actually move the needle.

What's included:

- 24 social media posts per month
- 8 short-form videos
- Email campaign management
- Bi-weekly analytics & insights
- Priority chat support

Authority — ₱58,000/month

For serious market leaders

You want to dominate your space. This is full-service, high-output marketing with a dedicated expert in your corner.

What's included:

- Unlimited content creation
 - Full strategy consulting
 - Dedicated account manager
 - Weekly performance audits
 - Priority phone & video support
-

Web Development + Marketing Bundles

Need a website too? Get a custom-built site and a full marketing engine — together, at one monthly rate.

Launch — ₱35,000/month

Get online fast

Perfect for businesses that need a clean, professional web presence paired with consistent social content from day one.

What's included:

- 5-page responsive website (WordPress or HTML)
 - Contact form integration
 - Everything in the Essentials marketing plan
 - Email & chat support
-

Scale — ₱75,000/month ★ Most Popular

Grow with a smarter site

Your website should work as hard as your marketing. This bundle gives you a content-managed, SEO-ready site alongside a full growth marketing operation.

What's included:

- 10-page website with CMS
 - SEO setup & mobile-optimized build
 - Forms & conversion features
 - Everything in the Growth marketing plan
 - Priority chat support
-

Dominate — ₱95,000/month

Full-stack power + full marketing

For businesses ready to build something serious — a custom web application, e-commerce capability, and an Authority-level marketing team behind it.

What's included:

- MERN stack custom web app
 - User authentication & API integrations
 - PayMongo / e-commerce ready
 - Hosting & maintenance included
 - Unlimited revisions on Gold tier
 - Everything in the Authority marketing plan
 - Priority phone & video support
-

Every plan includes:

- ✓ Data-driven execution — no guesswork, just strategy backed by real numbers
- ✓ Unlimited revisions — we get it right, every time
- ✓ Dedicated support — email, chat, or priority line depending on your plan
- ✓ Transparent reporting — you always know what's working

Not sure which plan is right for you?

We'll help you figure it out — no pressure, no sales pitch. Just a quick conversation about your goals.
